August Drive and Arrive (Ending at a totally Unique Event)

Saturday August 20th - Drive to Sheridan / Mogfest NW

By Stacy Rollins, Portland Section

Join us on Saturday morning, August 20th, for a club driving trip over the dale and through the woods via the backroads of the Willamette Valley. Our destination is in Sheridan Oregon – and the destination is a **totally unique experience**.

This drive has two starting points: one in **Wilsonville** for our Portland area members, and another starting point on the **south side of Salem** half-way through the drive. This is to encourage members from **Salem, Albany, Corvallis and Eugene** to participate. We haven't seen too many members from "down the valley" lately, and this drive with a second starting point was designed just for you!

President's Message

By Section President Ron Woodruff

Concerning Fog Lights, Steering Wheels, and Radios
(Part 1)

Summer is here and it's time for us to do some top-down - or up - cruising to our favorite Cars and Coffee location, or maybe at Beaches/PIR on Wednesday nights.

My last two-part article explored some of the fun of making our Mercedes-Benz the way we like it regarding color, factory options, accessories, etc. Continuing in that same vein, and once again bordering on what my wife calls my "car obsession," I thought I would elaborate some more on a few components of that "obsession."

Starting with steering wheels. In my opinion a steering wheel is the crown jewel of any dashboard layout. Think about it - what is the first thing you notice when you view a typical interior? If you're like me, it is the steering wheel.

Steering wheels can be stock or original. They can be a Nardi accessory (originally made in Italy), a Momo, or from any number of manufacturers. And they can also be VERY EXPENSIVE! Price out a Nardi steering wheel and you'll discover that the price of a large diameter- size for a 300SE Coupe or cabriolet can be more than most of us spend on whole cars. Or just look at the price of a Mercedes star logo horn button on EBay sometime. The function of a steering wheels has become much more complex over the years. In the 50's and 60's, their function was primarily for steering and horn operation. The mid50's Mercedes included a turn signal function on the horn ring and the 600 had a function that was operated by the rotation of the fluted chrome bezel horn pad. (I always thought that one of those would look really cool on my '77 450SL. But, I'm close to that with a chrome bezel horn pad from a mid-60's W108 sedan).

Then there is the steering wheel on the early 70's W107 that has a chrome surround of horn buttons on each side of the steering wheel. I was told the splines may not match up with later models, but don't know for sure. However, I do know the splines from the earlier W108 models fit the late 70's W107 models.

In the mid 1960's, Nardi steering wheels used to come with date stamped on the back of the three-spoke aluminum base. Collectors tell me these are some of the most valuable ones and are highly sought after by "Porsche people." I had one on my first 1973 BMW 3.0S sedan, which I owned for years. I spent many hours refinishing it, only to have it stolen from another BMW that was in a repair shop parking lot.

To be continued...

Happy motoring Ron

WIN A 2016 MERCEDES-BENZ CLA250

Retail Value
\$33,695

Car pictured is the actual vehicle that will be won.

A Car Raffle Benefitting The World of Speed Motorsports Museum Programs

Win a Mercedes Benz – A great car for a great cause

World of Speed Motorsports Museum is holding a car raffle to support its innovative and effective education program! \$25 gives you the opportunity to win a 2016 Mercedes Benz CLA250, one of the most stylish cars on the road today! You don't want to miss this chance, only 5,000 tickets are being sold. The drawing will be on Saturday, August 27th, 2016 at 2pm at World of Speed.

- Tickets must be purchased in the State of Oregon.
- Winner must be 18 or older and does not have to be present to win.
- Your car raffle certificate with your raffle number(s) will be sent to you within 3 business days.

Please note: Oregon law requires that only people currently in the state of Oregon may purchase tickets online.

The World of Speed Motorsports Museum which opened in April 2015, offers visitors a behind the scenes view of the racing world. We feature historic racecars, boats, and motorcycles that tell the story of America's motorsports culture and leadership in the world of motorsports. We encompass drag racing, road racing, land speed, motorcycle racing, open wheel, NASCAR, and hydroplanes.

We also offer an innovative education program designed to utilize STEM and career technical education (CTE) in a rich, experiential learning environment that inspires students' curiosity and equips them with real-world skills.

A special thanks to **Mercedes-Benz Wilsonville** for their generous donation in support of our efforts. For questions, or more information, contact Paul Morris at paul@worldofspeed.org or at 503.563.6452

Portland Vintage Festival @ PIR Recap

By David Abarr ,Portland Section

A somewhat sunny slightly windy day greeted Portland section member's at Portland International Raceway on July 9th. In attendance was Harry Cordon and his ML350 and his buddy Randy Kurnasaki . Greg Buechler's nephews Berend & Hunter Schaefer had Aunt Nancy's C230. Bill Loppnow and his black W204 C250. Greg's SLK280 (Sunhilde), David Abarr's SLK230, and Tom Layton had his SLK350. Both R171s have manual transmissions.

My first year going to this event I got to know members I have never met and enjoyed my after noon with Tom Layton who drives all the way from Medford to attend this event.

Greg's report from Sunday the 10th:

"Temperatures in the sixties with light breezes were perfect for spectators and wonderful for race cars, too...even a hard-luck Jaguar XK-120. The owner is from Reno, and has no budget for a tow rig...so he drives the car to and from PIR for this weekend. He was chasing a radiator leak all weekend, and finally seemed to have it sorted this morning. He ran in his class on Sunday, starting at the back of the grid since he was unable to qualify on Saturday. He picked up two positions before the end, slid the car gloriously and oh so gently coming out of Turn Twelve onto the front straight, and ran an uneventful race. We all hope that his drive back to Reno is equally as uneventful."

Annual Regional Show and Shine

Sunday, August 14th, 10:00 am, Nile Country Club, Mountlake Terrace

Are you ready to experience the delight of viewing dozens of Mercedes-Benz' spanning a half century of design all in one place? If so, come join us for the **Seattle Section's Annual Regional Show & Shine** at the **Nile Golf & Country Club** just north of Seattle. In addition to the largest area display of Mercedes-Benz owned by MBCA Northwest Region members, this event offers **People's Choice** voting with awards & trophies, local dealer & vendor displays, gift basket ticket sales with proceeds to support our charity of the year, and door prizes & demonstrations.

Now is the time to pre-register your cars and to reserve a Western BBQ lunch by Nile Catering featuring Texas Style BBQ Brisket, Pulled BBQ Pork Sandwiches, Tangy Citrus BBQ Chicken, Pineapple Corn Muffins w/Honey Butter, Vegetarian Baked Beans, Red Potato Salad, Fruit Salad, Soda, Water & Dessert.

Location: The **Nile Golf & Country Club**, 6601 244th Street SW, Mountlake Terrace, WA. Take exit 177 (State Route 104) off I-5. Travel west 3/10ths of a mile and make a right into the club.

Registration Fee: \$15 per person for lunch, \$10 for registration of your first show car and \$5 for registration for each additional car you place in the show. Registration and payment is due by Thursday, August 11, 2016 so that we can have your registration packet ready and provide the caterers with a lunch count. Registration Form [here](#).

Schedule of Events:

- | | |
|-----------------------|---------------------------------------|
| · 10 AM to 11:30 AM | Benzes are Staged by Category |
| · 11:00 AM to 1:00 PM | People's Choice Judging |
| · 12 Noon to 1:00 PM | Picnic Lunch |
| · 1:30 PM to 2:00 PM | Announcements, Door Prizes and Awards |

Charity of the Year: Raffle tickets will be sold for a chance to win a prize basket to support our selected charity of the year, the **Treehouse For Kids**. Treehouse invests in the lives of young people who have faced the deep wounds from a crisis of parenting, by helping them to secure the essential education, basic material needs, and social experiences they equally deserve. Their website is www.treehouseforkids.org for more information. If you have a raffle item to donate, please contact Debbie Ward at atjazznlady@comcast.net or (253) 278-2314.

Local Hotels: Our out of town members may enjoy an overnight stay in a nearby hotel, close to the Nile Golf & Country Club and shopping at the Alderwood Mall. The **Embassy Suites Hotel** Seattle North/Lynnwood, located at 20610-44th Ave W in Lynnwood offers complimentary cooked-to-order breakfast, an evening manager's reception with drinks and appetizers and two room suites starting at \$159 per night. Contact them directly at (425) 775-2500 for reservations. Another option is **La Quinta Inn** located at 4300 Alderwood Mall Boulevard in Lynnwood. They are a pet friendly hotel and offer a continental breakfast with rates starting at \$109 for a standard room. Contact them directly at (425) 775-7447 for reservations.

Whether new or old, a garage queen or a fixer-upper, a concourse car or a daily driver, be sure to enter your Mercedes in the show. The Nile's easy access location, grassy field and superb picnic facilities have helped make this event one of the club's most well attended, and we look forward to meeting and greeting members from all across the Northwest.

Drive and Arrive to MOGFEST NW

Continued from page 1

The Portland Area Departure Point:

When: Saturday, August 20, at 9:30am

Where: Starbucks parking lot

30299 SW Boones Ferry Road

Wilsonville, OR 97070

Our point of departure is a Starbucks parking lot on SW Boones Ferry Road in Wilsonville. The Starbucks shares the location with an Albertson's grocery store. Both are located directly across the street from the Fred Meyer in Wilsonville.

To get there from Portland and points north, take I-5 south to exit 283 (Wilsonville Road). At the bottom of the exit ramp, turn RIGHT onto Wilsonville Road westbound. Immediately move to the left turn lane. The intersection (and signal light) will be SW Boones Ferry Road. Turn LEFT, go a couple hundred feet, then turn right into the Starbucks/Albertson's parking lot (the back side of a Sonic Drive-In is next to the driveway). Park in the north half of the Parking lot so as to not disturb the Albertson's shoppers.

Members coming from the south would take I-5 north to exit 283. Turn left onto Wilsonville Road. Stay toward the left lanes, and then turn left onto SW Boones Ferry as described above.

We will leave at 9:30am. Driving directions will be distributed prior to departure. Having a "co-pilot" who can monitor the route and give driving directions is encouraged. Arriving 15 -20 minutes early will give you time to get coffee for the trip. Our route will take us south toward Salem via the rural backroads on the east side of I-5.

Salem Area Departure Point:

When: Saturday, August 20 at 11:00am

Where: Park & Ride Lot (west side of I-5 at exit 248)

Delaney Road SE and Squirrel Hill Road SE

Salem, OR 97306

For members coming from the south, take I-5 north to exit 248. At bottom of exit ramp turn left onto Delaney Road. Go under I-5 and see Park & Ride lot on left. Turn left onto Squirrel Hill Road and enter lot. As a landmark, there is a Pacific Pride fueling station next to the Park & Ride. From Salem, take I-5 south to exit 248. At bottom of exit ramp, see Park & Ride in front of you. Follow directions above.

The secret destination

The end-point of our August Arrive and Drive will be a totally unique experience in Sheridan – ***Northwest Mog Fest***, for which Mog is short for Unimog – a Mercedes-Benz built off-road vehicle.

The Northwest Mog Fest was started by a few Unimog owners as a place where they could gather and "play" with their Unimogs. It is held every August on a farm near Sheridan, Oregon. Over the years it has expanded to include Mercedes G-Wagons and other European off-road vehicles. In June the club was invited to attend and observe the action as the off-road vehicles drive around and over obstacle courses on the farm.

Our plan is to get to the farm about noon or so on Saturday. You may stay as long as you like, then head home from Sheridan.

So what is a Unimog? Unimogs are made by *Mercedes-Benz* and are primarily sold in Europe. It is a *utility* vehicle. Not a sports utility vehicle (SUV), or a crossover utility vehicle (CUV), but a truly unique utility vehicle – in a league of its own. Unimog keeps on going no matter what the weather or ground conditions: severe storms, blizzards, heavy snow, deep mud, sand, gravel or unstable ground. Unimogs are not at all common in the USA, although they have occasionally been sold in the United States via Daimler's truck division, Freightliner (now known as Daimler Trucks North America).

Drive and Arrive to MOGFEST NW

Unimog in Action

The Unimog's unique design means a high ground clearance and stability over uneven ground. Outstanding traction allows the Unimog to face extreme angles of approach and departure, and climb over large obstacles. The 24 forward and 22 reverse gears (yeah, backwards) make sure that the Unimog keeps moving even when carrying and operating a wide variety of implements and attachments, on or off road.

Unimogs are used in a variety of activities, including:

- Road maintenance
- Mowing
- Agriculture
- Construction
- Public utilities
- Fire and rescue
- Military

Oregon Festival of Cars

Started 21 years ago as the Sunriver Exotic Car Show, this has become a must-do annual event for an increasing number of car enthusiasts. Hundreds of enthusiast cars are expected to participate in this fantastic event. During its 21-year history, this event has developed a unique atmosphere of being relaxed and fun with participants being able to get to know other like-minded enthusiasts. Every element of the Festival is geared toward fun and designed to keep competitive energies in check, allowing just enough to make things interesting but still safe and enjoyable. MBCA Portland will have a presence here as in the past years. Join us for one the last car events of the year.

Camas Wings and Wheels

By Paul Pietrowski, Portland Section

Port of Camas/Washougal Wheels and wings 2016

Saturday, September 17, 2016 will be the third annual Wheels and Wings event hosted by the Port of Camas/Washougal, Washington. The event takes place at the Grove Field Airport in Camas, Washington. This is an exciting opportunity for the whole family to have fun. It consists of a car show with many types of vintage and custom cars, and modern and vintage aircraft. There is a band that plays music from the fifties, and for all that attend the hot dogs, soda, and water is priced right.....FREE! I'm also happy to announce that your board voted to help and be a sponsor for this event. All the funds from all of the sponsors and car admission benefit local charities. This will be the first year for the Portland Section of MBCA to have a coral at Wheels and Wings. The Port Administration is very excited to have us participate with a coral at Wheels and Wings 2016. So, please mark September 17, 2016 on your calendar and let's provide a good showing of Mercedes for this fun and worthy event.

Date: Saturday, September 17

Time: 10:00 A.M. to 2:00 P.M.

Place: Grove Field Airport Camas, Washington

Gathering Area: Georgia Pacific Paper Mill parking lot Time: 9:00 A.M. Then leave and drive to Grove Field at 9:45 A.M

Admission: Normal admission at the gate is \$15. However, all club Mercedes admission for the coral is priced at \$10 per car.

Please note, I will have to provide a car count to my point of contact at the port for parking logistics.

Please contact me,

Paul J, Pietrowski at

spietro122@comcast.net

360-609-1463

by August 15, 2016 and let me know how many cars you'll be bringing.
